

"Liberty Plaza is a fitting tribute to the men and women, both past and present, who have served their country with honor. Through our participation, we gratefully acknowledge their sacrifice as we pursue quality of life through commerce, education, religion, and the arts."

—Gary Irvin, FORUM Credit Union, Veteran

"Fishers is a community of families. Raising children is a challenge in a changing world where freedom and security can no longer be taken for granted. Each of us must strive to entrust in God, work together as one and proactively do our part to make this world a better and safer place to live. "Liberty Plaza" serves as a tribute of honor to those who serve so unselfishly and as a reminder to the rest of us to live our lives more graciously and appreciate the freedom we have been blessed with."

—Sherri Kapsalis, Fishers, Indiana

"The Liberty Plaza is a tribute to extraordinary men and women that have shown miraculous heroism and unyielding faith in their mission in all wars and conflicts at home and abroad. To those who have demonstrated astonishing feats of courage and faith, inspiring the fundamental values of God and Country, on which this great land was founded."

American Legion Fishers Post 470

Liberty Plaza **On The Green**

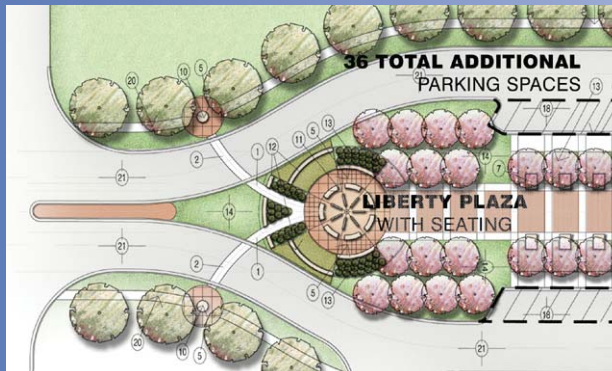

**Proclaim Liberty
Throughout All The Land
Unto All
The Inhabitants Thereof.
Lev. XXV 10**

As a way of celebrating and reminding us of our precious freedom, plans are underway to adorn the lawn in front of the Fishers Town Hall with Liberty Plaza. This monument will serve as a tribute to those who have served in the past and those who continue to serve in the defense of liberty and the security of our homeland.

**To Those Who Serve
To Defend Our Country
And Preserve Our Freedom,
This Tribute Stands.**

In this world that challenges our liberty at home and abroad, our country stands together. The people of our community have in the past and continue to do their part to preserve freedom and insure security for all Americans. Our military actively protects on the forefront; our police, fire and first responders stand ready; and it is the responsibility of each and every citizen to be vigilant.

The goal is to complete the project in two years, with a projected completion date of November 11, 2008. Funds will be raised from foundations, corporations, civic/service organizations, and individuals to reach the estimated construction cost of \$535,000.

"Liberty Plaza will stand to remind us of all who serve our country both at home and abroad, in the military and through civic endeavors. When asked his desire in joining the military, a young recruit at Camp Atterbury succinctly stated the essence of service, 'I want to join the military to keep conflict away from our homes and families.' He demonstrated the attitude of service to mankind that makes our country and our Fishers community so vibrant, the desire to serve and protect one another. This tribute will give each of us a reason to examine our contribution and appreciation for the freedom we enjoy."

—Chuck Bragg, Retired School Superintendent
